Last BBQ & Pétanque

The last of the 2019 Summer BBQ & Pétanque Social evenings will be on **Friday 30 August**. Considering the light we will try to serve food earlier, at 7:00pm. Pétanque will start from 5:30pm. Let us know by email or writing your name on the list, if you and family can come...the forecast is good!

Southwater Fair

We have two stalls at the fair on **Sat 14 September** – one for the Men's Shed to display and sell their wares, and the other is a general stall to encourage interest in the wider programme of activities. The Sheddies are building up stock items to show and sell. Please come and support us. **12:00 til 4pm, Southwater Parish Church.**

Hills Farm Lane Vets

Training has now moved to Wednesday 8-9pm at the new Horsham FC facility at Hop Oast. The vets league squad have made a great start to their campaign with a 5-0 win on a VERY hot bank holiday Sunday at their home ground of Roffey FC. Well done to all who played.

Green Project

The green project has had a boost recently with some new members taking an interest in doing some cutting, weeding and planting. Hopefully everyone who comes to the site appreciates the environment and the walking footballers are now treated to a properly cut pitch with new goals and properly marked white lines! Thanks to everyone who helps out.

Christmas Dates

Impossible to imagine with 30 degrees on the thermometer, but Christmas is only 17 weeks away! You are all busy so we want to give you early warning...

- **Members Lunch : Tuesday 17 Dec, Holbrook Club**
- **The Xmas Disco : Saturday 21 Dec, Horsham Cricket Club. All HSCP members & families welcome)**

Putting the Fun in Fundraising!

Horsham District Lottery launches on 28 September.

Each ticket has a **1 in 50** chance to win a prize each week, with a top prize of **£25,000!** "The real winners are the charities" say HDC. From every £1 ticket sold 60p will go to good causes in Horsham compared with 25p when you play the National Lottery. Even better, you can choose which local charity gets 50p of that 60p; so far over 60 have registered. We hope you will consider supporting the Horsham & Shipley Community Project!

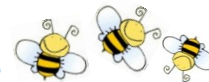

We will bring you more details, otherwise see

Bees and wasps

While we have been busy planting bee-loving plants, the wasps have been a real nuisance this year. No more! The offending nest was found in the ground in the field behind the club house, and the pest control expert called deal with it estimated that there could be as many as 15,000 wasps residing there! No wonder they were giving us some trouble!

A group from Age UK came for pétanque recently. They "absolutely loved their morning" ☺. They come again on 12 September 10:30-12am, while on 11th September we also have group from Highwood Mill retirement complex 1-4pm. Any help appreciated!
