

## Keeping Busy, Keeping Active

Issue No 17, September 2019

Registered Charity Number 1178797

### Hills Farm Lane Vets - Kev Taylor

We have been devastated at the news of the sudden passing of one of our longest standing, most respected members of Hills Farm Lane FC Veterans. Kevin Taylor, fondly known as "Costa Kev" has been a huge part of the development of the club over the years, since it's inception.

Despite undergoing treatment for prostate cancer, Kev had been playing football again recently, and was last involved in a friendly match only 3 weeks ago. Kev was well known locally and will be sorely missed by his family, friends and his team mates. Our thoughts are with them all. We will be organising a club football match in his honour over the coming months.

### Southwater Fair

We hope to see you on **Sat 14 September** at the Southwater Fair. The Men's Shed have a stall and we have a general stall too. Please come and support us. **12:00 til 4pm, Southwater Parish Church.**

### Pétanque Visitors

On 11 September we have a group from Highwood Mill retirement complex visiting for a game of pétanque, 1-4pm. Age UK comes again the following day, 12 Sept 10.30am-12.00. Any help appreciated!

### End of BBQ & Pétanque

Thank you to everyone who supported the Pétanque and BBQ Social evenings through this Summer. We have had a lot of fun! Thanks in particular to Laki for introducing croquet, and also to all those who have helped – preparing dishes for the buffet, flipping burgers on the BBQ or helping to clear up. We couldn't do it without your help.

Due to popular demand, we are looking into organising a different Social Evening soon – watch this space!

In the meantime normal Friday evening pétanque club will continue as long as the light lasts.

### Health Walks - revised start time

Our next Health Walk has a revised start time of **12:00 midday** (instead of 13:30) because of the longer distance of around 8 miles. Details below:

**18 September** : 12:00 midday, starting at TD Shipley site, approx 7 to 8 miles across Knepp Estate. Bring a sandwich and drink, and suitable shoes!

### Macmillan Big Coffee Morning

**Tuesday 24 Sept** contributions for refreshments will be for Macmillan Coffee Morning, support for people living with cancer.

### Putting the Fun in Fundraising!

The new Horsham District Lottery first weekly draw is on **28 September**.

Each ticket has a **1 in 50** chance to win a prize each week, with a top prize of **£25,000!** If you like a flutter on the lottery we hope you will consider supporting the Horsham & Shipley Community Project who would receive 50% of the ticket price! Thanks to everyone who has done so far. Please ask Richard or Helen for more details, or see...
