Shedders Expand into their Space

We have such a talented & resourceful bunch in the Men's Shed. Needing more space, they have built the perfect extension covering the walkway between the shed and the Woodstore to make a new indoor area which is fully enclosed, light (from the Perspex roof) and with the beautifully laid concrete floor. We are so impressed! And in celebration of 10 years of Shipley Shedding, they treated themselves at a local curry houses! Cheers!

CHRISTMAS IS COMING

Ho ho ho!!! Join us on ***Tuesday 15th December*** for our Members' Christmas Celebration! At Horsham Sports Club we will have games, lunch and social time. Summer Memories

What a lovely July afternoon BBQ we had! Looking forward to 2027!

Just In Case…

Check out the new defibrillator outside the Men's Shed. Sharing the cost with TD Shipley FC we have replaced the old one which had expired. Thankfully we never had cause to use it and we hope that this new one will never see any action. But it is there and ready… just in case!

Thank you Britweb

A really big thank you to Dan Purchase and his team at Britweb, local Web Design & Digital Marketing Co. Britweb continue to support our HSCP website. We are incredibly grateful.

A Matter for the Grey Matter

Do you remember the puzzles and quizzes page of our HSCP website which we did during lock down?? Well, it is still there under "Activities"! We revisited it the other day and of course have forgotten all the answers to the questions, or solutions to the puzzles! As the nights draw in and Winter beckons, we thought you might enjoy having another go at these quizzes, puzzles and ideas at home! We have also added a new website we think works well – **JIGSAWAY**! An online puzzle site. Choose your picture, choose how many pieces, and then take your time to make the puzzle on your screen. A new one each day if you like. Enjoy!

Footballers Retreat to the Astro

It didn't rain for months and months, and then it suddenly did. A lot! And so, to avoid the footballers slip-sliding on the grass at Shipley, they have retreated to Holbrook Club for the Winter. Meet time remains the same. And there is still cake!! We are enormously grateful to the **Green Team** for their endless work on the Shipley pitch, keeping it going through drought and flood!

Racking up the Cycle Tally

Our walks and cycles were blessed with the most amazing weather this summer. Huge thanks to all the walk leaders. Derek T led another batch of cracking cycle rides. We still have two more to squeeze in this year, as the clouds, when they finally arrived, emptied themselves all over our Wednesday Cycle Days! Fingers crossed we can fit in those last rides, as they will bring Derek's remarkable tally to **50 rides** organised and led over the past few years. What an incredible achievement! An enormous thank you to Derek for all his time, enthusiasm and dedication in keeping us pedalling, laughing & enjoying each other's company!
